Dear Ms Farquhar,

This is in regard to your filing on behalf of AirCell, Inc. in WT Docket 02-86, dated January 16, 2004. I am asking for clarification and further information if available as follows

- 1) Please confirm that the data submitted results from operation of AirCell ground stations employing the "standard" AirCell ground station antenna as opposed to the "smart" antenna used at some AirCell ground stations.
- 2) In regard to Figure 12, please identify the locations of the flights and please supply the histogram actual counts.

Please reply to WT Docket 02-86 Thank you
